

# The 20<sup>th</sup> ACMAV Conference: Conundrums in Clinical Medicine

## Austin Hospital, 5<sup>th</sup> November, 2016

Join ACMAV and Austin's CEU for a day of highly interactive learning at Austin Health's Education Precinct with cutting-edge, yet clinically relevant sessions led by experts in the field. Topics range from important updates in asthma, COPD, cardiac failure, metabolic diseases, peripheral vascular disease, travel medicine, research and clinical examination workshops.

Finish the day enjoying a delectable 10 course Asian Degustation Banquet at Golden Dragon Palace with a hands-on, 3D printing talk on the clinical and research applications of this emerging medical technology!
