1. Badminton Family Fun Day

Our Badminton Family Fun Day was filled with joy and antics, not merely aspiring Olympiads. Everyone from young to old was able to participate socially as we chose not to hold a tournament format as in previous years.

The upgraded shirt design and sports-suitable style was a great hit this year. I'm envious of those who were lucky to score one. Check out the website (<https://acmav.org/>) for a selection of cute photos.

2. Doctor's Well-being Dinner Seminar

Doctor well-being has never been so important as in the past year. Please join us for dinner with ACMAV members Dr Paul Ng and Dr James Khong, and MIPS, for a healthy discussion on our well-being and an exploration into ensuring the well-being of our other colleagues. Registration is now open and limited to 64 spots. Members only!

Date: 18:30PM-21:30, Thurs 6 May

Location: Qilin Chinese Restaurant, Glen Waverley

Link: <https://acmav.org/event-4261123>

3. ACMA Conference 2021: Overcoming Barriers to Asian Health

This year's ACMA Conference will be held in Auckland, New Zealand. However, Australian colleagues are welcome to attend via zoom registration. Medical and allied health professionals will join keynote speakers Dr Renee Liang and Professor Shanthi Ameratunga to share their valuable expert opinions and personal experiences. Please visit the website (below) for further details.

Date: 08:30-17:15 NZT, Sat 8 May

Location: Via Zoom for Australian Colleagues

Link: <https://www.acma.org.nz/acmaconf2021>

4. Continuing Professional Development (CPD) Accredited courses with CoreUS

CoreUs is conducting CPD Accredited courses this April to teach the skills and techniques to overcome communication and personality-based problems.

3-Day Process Communication Model (PCM) - Part 1

Do you often find it difficult to connect and engage with different people, especially challenging personalities? Learn skills to be a more dynamic leader and a better communicator. Connect with different personalities by understanding the mindset, behaviour, motivation and distress patterns of each personality type. Proven to help participants gain an awareness of self and of others while improving engagement and interaction between people.

Dates: 12, 16 & 19 April 2021

Location: St Kilda, Melbourne.

1-Day Leading Out of Drama (LOD)

Do you find it challenging to have difficult discussions to resolve conflict in your workplace or at home? Learn practical skills to manage conflict and drama during discussions or procedures. Recognise the behaviours people show when in negative conflict, and utilise the skills to turn a negative situation into a positive one.

Date: 22 April 2021

Location: St Kilda, Melbourne.

7. **ACMAV Grant Applications Open**

The 2021 ACMAV Grant application is now open. This will close at the end of August 2021, with the successful applicant to be notified in October.

8. ***Clinic to Cloud – Special Onboarding + Training Offer for ACMAC Members***

Clinic to Cloud is a cloud-based medical practice management software, designed for specialists and clinical staff to deliver a better patient experience.

Two key features of Clinic to Cloud are the ***Doctor's app*** which allows clinicians to conduct full consults, upload theatre notes, order, and process investigation results, and dictate letters from their smart devices and the ***Patient Portal*** which enables patients to book and manage appointments, fill in registration forms, make payment, view clinical information, and upload referrals or documents. Clinic to Cloud currently integrates with all secure messaging platforms (***Argus, Medical Objects and Health Link***), ***XERO, Tyro, Medicare, and Eclipse***. For more information [click here](#).

For all ACMAV Clinic to Cloud is offering free setup configuration and training (valid at over \$2000). If you would like to book a demonstration, please contact Cheyenne Kermond (Business Development Manager) on 0430 723 010.
